

FROM OUTREACH TO RECOVERY: COMMUNITY-BASED SUPPORT SERVICES IN PASSAIC COUNTY

Presented by:
Melanie Conquest-Sanchez, MA, CPRS
Director of Recovery Services

LEARNING OBJECTIVES:

- Describe the role and impact of the Passaic County Hope One Mobile Outreach Unit in addressing prevention, outreach, and recovery needs within Passaic County communities.
- Identify the services and supports provided through Passaic County Peer Recovery Support Services.
- Explain how the Recovery Management Check-Up Program supports individuals transitioning from substance use disorder (SUD) treatment to ongoing recovery and community-based care.

The Recovery Management Checkup (RMC) program is a statewide initiative offering long-term, peer-led recovery support, with Prevention is Key, Inc. serving New Jersey's seven northern counties.
