

# MARIJUANA IN 2025: THINGS YOU SHOULD KNOW

Presented by: Mr. Dale Quigley  
*National Coordinator*  
*Marijuana Impact Group*  
HIDTA

## LEARNING OBJECTIVES:

- Expose attendees to current evidence-based scientific research information regarding today's more potent forms of cannabis products.
- Increase audience awareness of the crossover effect that legalization has had upon a wide variety of topics, such as public health & public safety:
  - Cannabis association with violence
  - Cannabis trafficking in America involving foreign national entities (e.g., People's Republic of China, Eastern Europe)
- Share historical and current cannabis data, for comparison purposes, to identify emerging trend development in America.
